

MISSION TRIP UPDATE

The trip will be June 18 to the 25. We are going to Manning South Carolina. We will be doing home repair. This is still hurricane repair due to the COVID shut-downs. These people have been in limbo for almost three years now, waiting for help. Please keep them in your prayers.

We are going with 5 other churches and believe our group will be about 60 people. They have 20 different types of projects for us to do, ranging from cleanup to roofing. If anyone is interested in going I will need to know ASAP. As paperwork will need to be turned in by May 1st. As well as a \$50 deposit. Anyone in junior high or older are welcome. NO skills necessary, just a willingness to work . If you want to go or need more information please call/text me 330-402-5215.

Items we are trying to get donated to help cut some cost:

Paper towels, tissues, napkins, Large HEAVY duty paper plates, large paper plates, styrofoam bowls (large and small), large plastic cups (12 Oz or bigger), box of trash bags, plastic cutlery, sandwich and snack size baggies, hand wipes(disinfecting and work type), drill bits, deck screws, work gloves, safety glasses, cordless screwdrivers, drills, extension cords, sunscreen, bug spray, bee/wasp spray, a pack of clothespins, a pack of washcloths, individual wrapped snacks(chips, cookies, granola bars, trail mix, nuts, crackers.....) Walmart gift cards- there is a super Walmart near the church we are staying at and this will be where I shop for fresh fruits, veggies, lunchmeat, dairy...

Thank you for your support and prayers,

Eileen Crites
